Healthy for **BABIES**

- Best possible nutrition
- Easy to digest
- Reduces risk of SIDS, ear infections, RSV, and diarrhea
- Helps prevent chronic diseases like diabetes, asthma, heart disease, and cancer
- Promotes brain growth. Studies show that children who were breastfed have higher IQs.

Healthy for **MOMS**

- Promotes weight loss after pregnancy
- Prevents chronic diseases like osteoporosis and cancer
- Always ready at the right temperature

Great for **FAMILIES**

- Helps moms and babies stay healthy
- Healthy moms and babies are more active and ready for play
- Saves time, money and the environment

Indiana WIC has Lactation Consultants and Peer Counselors on staff to provide breastfeeding support at no cost. WIC can help with any challenges including the transition back to work or school.

Exclusively
breastfeeding mothers
and their babies receive
extra food benefits.

Referrals

Ask your WIC staff about services in your area. A specific function of the Indiana WIC certification process is to make referrals to Medicaid and other social service programs. Although the Indiana WIC Program does not provide health care, Indiana WIC will refer all applicants to health care providers as appropriate. Some of the referrals include:

- Medicaid
- TANF
- SNAP
- Maternal and Child Health Programs
- Expanded Food and Nutrition Program offered by Cooperative Extension Services
- Healthy Families
- Indiana Coalition Against Domestic Violence
- Indiana Tobacco Quitline
- Head Start
- County Health Departments for Immunizations

- **Keep appointments**

Call your WIC clinic if you need to reschedule.

- **Use WIC checks correctly.**

Shop where WIC checks are welcome. Use your checks between the dates listed on each check and buy only the foods listed on the check and Food List. Sign your checks after making sure the prices are correct.

- **Handle your WIC checks carefully** – like they are cash.

- **Contact your local WIC clinic right away if something happens to your checks.**

- **Please remember not to:**

- fold, bend, tear, change, or alter WIC checks in any way.
- sell checks or food purchased with WIC checks.
- use checks you reported missing or stolen.
- receive checks from more than one clinic.

- **Consider breastfeeding your baby.**

Babies are born to breastfeed. Nursing mothers receive additional food and may remain on the WIC program up to one year. Ask for breastfeeding support and information at your WIC clinic.

- **Educational Resource**

Do your nutrition education online at www.wichealth.org.

- **Be polite to the cashier.**

- **Always remember your WIC Program Booklet.**

- Take it to the store to shop for WIC foods.
- Take it to the WIC clinic for all appointments.

- **Shop smart!**

- Plan how to spend your checks so you have food for the whole month.
- Compare prices on foods and buy the least expensive brand.
- Use coupons and look for “buy one, get one free” and other store offers.

- **Select authorized package sizes.** Carefully count ounces to be at or under the maximum amount printed on your check.

Frequently Asked Questions

What if I move?

If you plan to move somewhere else in Indiana, you can check our website for a listing of all WIC offices in the state at www.wic.in.gov. If you plan to move out of Indiana, you can call your local WIC office. They can give you information about WIC programs in other states and overseas. You may also call the State WIC Office at 1-800-522-0874.

What is a proxy?

A proxy is someone you trust. You give this person permission to cash your WIC checks if you can't go to the store. If you assign someone to be a proxy, that person must sign your WIC Participant Booklet and must bring the booklet when cashing WIC checks at the store. You must make sure your proxy understands what foods to buy and how to use the WIC checks.

A proxy may also take your place at nutrition education or check issuance appointments. A proxy is not allowed to replace participants at certification appointments. The proxy must bring

the WIC Participant Booklet to the appointment along with a valid form of ID.

Why can't WIC staff talk to my friend or my mother about my child or me?

The WIC program protects your right to privacy. WIC will not share any information without your permission. This includes appointment times and medical information.

What if I lose my WIC checks or they are stolen?

If you believe your WIC checks have been stolen, report it to your local police right away. Lost or stolen WIC checks should also be reported to your local WIC office immediately. WIC may replace certain checks in rare circumstances and with required documentation.

What if I damage my WIC checks?

If you spill something on your checks or rip them, return the checks to your local WIC office. WIC may replace them.
